Rest easy Mama. I'm happy we came to see you. But sad to know that will be the last time I will get to kiss you goodbye. Don't worry to much about us. We all have eachother and will take care of one and other. You just enjoy your reunion with Papa and kiss him and Brada for me. You can visit me once in a while too. That's OK. I will love you forever. And promise to carry our name with strength everyday.

Mama-growing up every time I was around her she would always playfully ask me what my name was and for some odd reason I kept telling her my name was "Two".Even after I had my children when we would hug she would whisper "hi my Two"!I love you Mama may you rest in eternal love forever and for always
