Dear Vicky's family,Your mom was truly a gem of a person. She was loved by everyone. She will be missed more than you know. I'm looking forward to greeting her with open arms in God's new world. I'm sure you are too. In the Bible, in the book of John, chapter 5, and verses 28 and 39, it talks about the resurrection. This is the hope that we all are looking forward to in seeing all our loved ones who passed away. Thank you for all the time I spent with your mom. It was precious. I truly miss her. May Jehovah God continue to be with the all of you. I'm sure your mom would like to see you in Paradise. Much love, Jean Onaga
