My deepest condolences to Kalani, Jordan, Austin, Mr & Mrs Alameda and family. I was so heartbroken when I received the news of Carol's passing. I met Carol at KCC when we were in the medical assisting program. Since then, we have kept in touch and when we would get together, she always spoke about her boys and Kalani- they were her world! Her love for her family was unwavering. Her smile and laugh was infectious and her words of advice came from the heart. I will forever remember her kindness, compassion and the memories we shared. Until we meet again, rest in love, Carol.

I had the pleasure of working with Carol in the cardiology department at PMMC 2013-2022. She was my Massachusetts sista in heart. I will always remember her smile and infectious laugh as well as the loving care she gave to our patients and just her kindness always. Her world was her family always talking lovingly about her boys and her husband. I had the pleasure of meeting Kalani at a friends wedding and always thought they were like the quintessential Hawaiian couple. Sending love and lots of prayers to the Lee family and friends.

Carol was a beautiful soul. She lit up the room with her smile. Her calm and caring presence was comforting. Carol was the epitome of Aloha. The world has lost a loving and Blessed woman who is one of God's finest. I will remember our fun days at Kaiser. God has a bigger plan for you, and you will be forever in our hearts. I will always love you Carol. All nurses go to Heaven. See you there.

My heart is broken. Carol has always been a big sister to me while living in Hawaii. I will miss her smile, laugh, love, compassion, and kindness. She always took time out to spend with my family and I when we would go back to Hawaii. She was always there for me when I needed her. She loved her family so much. I looked up to Carol. RIL Carol! I love you and will miss you so much. I will still visit you every time I go back. Condolences to Kalani, the boys, and Carol's family.
