I am grateful for the opportunity to have spent time with Aunty at the Chung family reunion. She was warm, genuine, and delightful. Her presence made the event extra special. With 28 great grandchildren, I am confident her legacy will live long and bright.

I have know aunty Rene all my life, aunty has always been a part of my life, she has always been more than aunty, She has been a friend, someone I can talk to, we have done many things together, have gone many places, summers spent at her and uncles Genes home with my cousins. Aunty has shared many stories of her life growing up. Aunty was a big part of my dadâ€™s life and listening to her stories of growing up is what made her so unique in my life. Aunty Rene you have always touched my n Gilbertâ€™s life and my children and will forever be in my heart. Thank you for always telling your life time stories and always opening your home to me. Always listening to your soft kind voice with advice, knowledge and inspiration. I will forever be grateful for ALL you have done for me. I will not forget the last time you and I talked story you always said I am like your daughter, I honor that. You are now free to go where you want, eat what ever you want and be our guardian angel. I will always remember you and love you forever.I will always be there for my cousins and support them and I guarantee you will be there with us in conversation and spirit.
