Beautiful heart that gave me and my family a place to live in times of hardship. We became such good friends; she was like a mother to me that lived next to me as my apt manager !!!! enjoyed sharing the same cleaning habits and we enjoyed it while we did it!!! She also loved my services as her personal beautician!!! I moved away after a few years and never stopped to think of her smile and mellow personality!!! I loved her; I only wished I stayed in touch with her. Her children & grandchildren are a blessing! Rest peacefully & in Love Betty!!! One day I will see you and we can continue on cleaning joyously. For now, just rest and wait for me
