Auntie Francy, I remember the time you visited us in the mainland and you witnessed a fight between me and Kuya Alexie. You requested to send me to Hawaii for the summer to separate us for a while. Just with that thought, you have showed me how wonderful life can be outside of LA. You've always been very sweet and generous to me and for that I thank you sincerely from the bottom of my heart. Although I wish I could have spent more time with you during your last days, at least I know now that you are at peace. May God watch over you in the good grace of Heaven. We love you very much and your memory will always stay in our hearts!
