Bernie and I started Hawaiian Airlines same day we had just made 25 years in this company your mom and would travel way back when we just started we went for a day trip to Maui and we were in the same shift throughout our employment at hawaiian. We would meet each other when off from work and often meet up at zippys. Your mom was so generous and always had an open ear and a solution to things. My birthday lands in January 1st and I would every year like clock work pick up our good luck charms at the tempo have them blessed and she would always pay for mines as a birthday gift. ðŸ’ I will miss my Bernie. She also would bring me Lemon crunch cake from the Aiea bowl knowing it was my favorite cake. ðŸ° she was a big hearted person. I had a conversation with her the day before and it was brief but always made the time to sit or talk to her. I will miss my Bernie. She has another friend her name is Sheila she works in your momâ€™s shift and she is from big island. I know she will be home with her son as she will be happy there. Sheila and I plan to stop by and bring flowers from big island and drop it off. Also I will have a card that I will be dropping off to her son. I would like to send my deepest condolences to the Ohana. My Bernie will be missed dearly God Bless and I will never forget my dear friend Bernie. ðŸŒ°â™Œi,ðŸ™
