My Great Uncle Mervin Cabral has always been a leader in our large family. He was the last Cabral sibling (my Grandma's youngest brother). He always kept our extremely large family together. Uncle Mervin was a great man, a great leader, and someone that I've looked up to all my life and so did my mom. I thank him for all he's done to advise me in life.. He and Auntie Peg always gave me love, support, and guidance. They have been there for me in all my life changing moments good or bad. We will miss you very much Uncle and I'm so glad we got to visit with you in April and like I said in person, you're the "Number one Cabral" and you smiled and said YEAH!! I will treasure that forever. Love you always - we all will watch over Auntie Peg as I know you will too!
