Thank you Jeng. He is always full of life. Though his life is short, but it is remarkable.

Hal I still don't know what to say. I am just so heartbroken. Looking at our pictures and remembering all the happy memories I have shared with you. You were the highlight of my 20s years. I will always remember you when I remember my younger self. You made my younger years so fun and filled with laughter. Thank you for everything.
