Phil, You touched the lives of Suni and me so much. You were a loving and kind friend and brother from another mother. 13 years ago, 30 Mar 11, Suni passed from cancer and you and Laurie were always there for us before she fell ill, during her illness and for me after she passed, and for that I am eternally grateful. But more than that, your helpfulness and compassion helped me make it through the rough years after she passed and to be thankful for each day ahead, and now with Jessica. You and Laurie were so generous in your time to listen and you both gave invaluable encouragement for the future. Thank you for the many blessings you both gave all of us and for always being the true friends that you are, you are really, like a brother. You kindly touched many lives and when I think of you, I wish I could tell you that. I thank God that He blessed us to have you and Laurie in our lives. God bless you, and hug Suni in heaven for us and help her sing (a joyful noise...Ha). We miss you and always will.

My brother Phil, you have no idea how much you've significantly touched the lives of me and my family with your warmth, love and generosity. You and Laurie were so good to all of us especially Lauren, Justin and Ryan whom you loved as though they were your own children. We miss you dearly but also know that we will see you again someday together with our Lord Jesus Christ and I look forward to that day. Love you much brother!
