I was so sad to hear of the passing of my fellow co-worker here at Pearl Harbor Naval Shipyard. Clinton was already working at Pearl when I started to work at the yard. As a new employee, he was always so helpful whenever I needed help or had a question about various systems. I am going to miss him. To the family, please be comforted with all of the good memories of his life. Aloha my brother, and thanks to you and your family for all the help and guidance that you gave me.
