Joe was the nicest guy. Always with a smile and a laugh. Always willing to help whenever we asked him. Very responsible and loving husband, father, brother, and son.

My brother Joe to me he was mostly out doing his military duties. Although he was the eldest he never was around that much for me to get close to. But when it comes to family gatherings at his home he always made us comfortable. The last time I spoke to him on the phone I never realized that it would be my last. I love you my brother Joe until we meet again a hui hou. With love and aloha sister Pearlene.
