Shayna was my best friend at 10 years old. We spent every break together, snuck into each others backyards, laughed till our stomachs hurt! I have so many memories with you. Shayna, you always had the biggest heart and soul. I will always carry a piece of you with me. I love you with all my heart, my girl. I remember being so heartbroken when you transferred schools in intermediate. But when you came back and we had new friends, new experiences! we NATURALLY found a way to get back to the way we used to be. Late night adventures, having so much fun (this time we had cars), and I always felt safe and happy with you. I probably hugged you a million times in my life but today! I wish I could give you one more and tell you how much I love you. You will always be the girl in the same green jacket and DC hat obsessed with Monster and WWE to me. I love you, Checks. Til we meet again ðŹŹ and I love you Aunty Andra, thank you for treating me like your own.

Shayna! I remember being in Mr. Kamikawa's class together. You'd always make everyone laugh and smile. I miss the little scion to that you had in highschool. I thought it was so cool and I wanted a fast car just like it.. and when I told my the news, she said she remembered meeting you and how kind you were. You've touched my life and many others in such a positive way. Till we meet again. Rest in love.

Babes I miss you so much. I'm lost without you by my side. Your energy is what filled my soul. I miss your voice, your laugh, your random silly dances, just being around you everyday & all of our cocoo crazy moments together. From the moment we woke up, to the moment we went to sleep. My life is empty without you. I seriously can't wait till I can see you again. You will always be the love of my life, my best friend & my forever partner. I love you. Forever ever. Besitos.

Shayna you touched the lives of everyone you met in a positive way. You marched to your own beat, and were unapologetically and hilariously you! It was a joy getting to see you grow from a little girl into the beautiful person you had become. May you fly high with the angels and may God hold you in his arms.
