Justin Gort posted:

My grandmother was a loving and kind person. My favorite memories with her are waking up early to go fishing with her and the family (even though we never caught anything I still enjoyed going to the beach with the family), going to Rocky's on Sundays after church, and spending time with her on New Years Eve. I will always appreciate and never forget the sacrifices she made to raise me. She will be missed and I always love her. RIP mims
