Omg!! How I was so saddened to hear the passing of our dear friend who was close to a lot of us at Southwest. I always was so happy to see Bonnie if she was working that day on our side of the airport. She always brought a smile to my face. Always was smiling and just looked happy all the time. We noticed she lost a lot of weight and didn't think much. She would be off and on at work but recently I kept thinking, "Man, I haven't seen her in a long time." I asked one co-worker of hers where she was. And he said she was sick. That was all he said. 3 weeks later someone found out and told everyone at Southwest. I'm so gonna miss her. Sometimes her daughter would come on her lunch break and sit with her mom at the lil booth by the door. They always looked so cute to me. Made me miss my daughters who live on the mainland. I miss your smile Bonnie! How I wish I could've known the last time I saw you at work, was the last time so I could've hugged you. Please watch over us! miss u mama! 🙏💕🙏"
