Manang itâ€™s so difficult for us to accept that You suddenly left us. We did not even say our goodbyes. We will missed our Sunday visits with you, our weekly get together especially going for our Halo Halo snack at Magnolia. Thank you for everything you had done for our family, you were always there to helped us when we asked for your help. Like what your brother said, you were the reason why he and his family live a happy life, his success and everything , Is because of You, Manang. We will miss so much, and May you Rest In Peace. You are now in a better place.
