A nthon y Luna Obituary ??????

In Loving Memory of a Remarkable Man: a Man of ALOHA!

We announce with heavy hearts the passing of a truly remarkable man, Anthony Cordero Luna, 74, who peacefully departed this world on May 26, 2023. Anthony was a shining example of Aloha; his selflessness, love, and integrity, leaving behind a legacy that will forever inspire those who had the privilege of knowing him.

Anthony exemplified the essence of love and devotion to his beloved wife, Corrina. His role as a nurturing father to their four children, Harrison, Marisa, Carin and Jennifer and a loving grandfather to his six grandchildren, was marked by boundless affection, dedication and support.

He was a man of few words, but had much Aloha in his heart. His actions spoke volumes. His kindness and integrity were his defining qualities, earning him the love, respect, and admiration of all who knew him. He had a remarkable ability to inspire those around him to be better, to lead with grace, and to embrace life's challenges with dignity.

Anthony was man who led a life of purpose and meaning—a man who was not only loved and respected but also admired for his unwavering character. As he joins the Lord, may his memory forever serve as a source of inspiration in our lives.

He is survived by his loving family and a community of friends who will carry his legacy forward. While we mourn his passing, we are grateful for the profound impact he had on our lives.
