## Kelly Ann Lindsey Obituary

On Saturday, 9/16/2023, Kelly Ann (Walsh) Lindsey, passed away in her sleep at Queens Hospital.

Kelly will be lovingly missed by her siblings Chuck, Mona, Diane, and Robbie plus all of her nieces, nephews, cousins and her incredible group of friends.

For most of her career, Kelly worked as a food and beverage waiter in Waianae, Waikiki, and on cruise ships. She loved meeting people and made lasting friendships in all her travels.

Kelly will be honored with a Celebration of Life and the scattering of her ashes at Pokai Bay sometime in April, 2024, when more of our ohana can be here.

Our mother Estelle and our brother Tom will be waiting with open arms to welcome Kelly.

Aloha, Kelly, from a family who could not love you any more than we do.

The first memory I have of Kelly is when she was in her playpen in our living room. I leaned over it making silly sounds and faces and she giggled like crazy! First time we had heard her cute and hearty laugh. Just one of many sweet memories of our baby sister. She continued to be a source of joy for her five older siblings for years to come. Going to miss our baby sister. Saying Aloha with many fun and beautiful memories from a sister 12 years her senior.

Will miss so many of her adorable ways. From newborn to adult, Kelly gave us lots of reasons to adore her. What a huge hole in her family and friend's lives. We will miss so much about her but have so many memories to fill our hearts.

The healing power of even the most microscopic exchange with someone who knows in a flash precisely what you're talking about because she experienced that thing too cannot be overestimated. That is the life Kelli shared with me. The struggles, the pain, the laughter and the joy. What a wonderful friend Kelli. Thank you, your friend, Diane

When I first met Kelly she was "just" my friend Chuck's little sister. But oh did she grow on me. She was such a kind and sweet spirited person. Whenever I think of her it puts a smile on my face.

Those we love don't go away,They walk beside us every day.Unseen, unheard, but always near, Still loved, still missed, and very dear. I cannot believe I don't get to have any more phone calls, visits, hugs, giggles, and kissess on the nose from my sister Kelly. I am comforted knowing that you and Momski are together.
