Randy Hernando posted:

Dear Robert, Delfin, Evelyn, Cathy, Jojo and Jesse and your families: On behalf of my siblings: Edel, Relly and Cherry, I extend our deepest sympathy in your beloved mother's passing. As you all very well know, she was our mother's best friend leaving us many unforgettable memories during our childhood days. Both our families did so many things together...to this day, I still vividly remember the parties you hosted at your family house in San Nicolas, our out-of-town picnics and the innumerable other get-togethers but above all, your Mom's warm and compassionate personality. I always admired her calm demeanor and never heard a loud voice even under stressful situations: with eight children in a row, that was something ! Our mother passed on last July 17, some 3 weeks short of her 90th so now, they must be somewhere in our dear God's kingdom...re-united in eternal life, resting in peace...looking down upon us. Farewell, NANA... may God keep you in His loving arms , and we THANK YOU for touching our lives ..
