Sending thoughts, prayers and love your way. It was always a treat spending time with such a beautiful person. When I'd visit Hawaii, Gigi and Joe always included me in visits to "grandma's". I loved it! She made me feel like family and I was at home, so much love! I can see her now, standing in kitchen, smiling, offering something yummy. I always thought, now that's what genuine happiness and pure kindness looks like. Peace be with you all.
