June was the best! She welcomed me into this Industry over 15 years ago and was always so helpful and willing to go the extra mile. She always had a warm smile and gave even better hugs. She brightened the room wherever she was and I wish I got to see her one last time. I miss her! Love you June! Jared

June had the best laugh and this one of the many reasons why we became friends so quickly, She was just so much fun! We were so touched when we visited her at hospice and asked if she was hungry and she said "yeah" I want to eat what you brought! Whether hungry or not, June put others first and was thoughtful to the very end Such a simple gesture of tasting the manju we brought was one of many moments that showed me how selfless she was. Knowing it was one of the last things she ate really touched me so deeply. Kind, gracious and always so very thoughtful! Will miss her so much! She called everyone "sweetie pie", but will forever be OUR sweetie pie for the rest of our lives. We love you and will never forget you Junie! ðŹ'ž Kay & Nelson

June was a true friend and someone who had the best smile. We met through work, but quickly became friends because we loved to laugh together. June had the BEST laugh! We enjoyed so many fun memories together and I am touched that one of the last things she ate was some pineapple manju we brought over to hospice a few days before she passed! Whether she was hungry or not, I felt she wanted to show me that she was enjoying it because that's who June was. Always putting others first and wanting to make everyone feel appreciated She called everyone "sweetie pie", but that's who she was. Here's to you Junie! OUR sweetie pie forever Love you! ðŹ'ž Kay & Nelson
