I met Kenneth through my Dad (U.S.Army, ret.) while we were stationed at Ft. Ord, CA. Kenneth and his siblings along with his parents, Uncle Francis and Aunty Marie lived in the neighboring town of Marina, CA. We all grew to be very close friends with the entire family, which also extended to Uncle Morris and Aunty Gertie and their boys. Kenneth was very soft spoken and kind towards me as I was a new student at Seaside High School, (1971), and he helped me maneuver around campus and made sure no one "messed" with me. I always had a hard time with my book locker combination, but Ken was always around to help me out. Later, when I moved back to Hawaii, I worked part-time at Liberty House (Macy's) and learned that he was in charge of the Maintenance Dept. We would run in to each other every now and then. My heart aches to know that he has left us and I offer my sincere condolences to his siblings; Dave, Billy, Beverly and Lottie girl and his entire Amado family. Aloha my friend~

My family (Domingo's) knew the Amado family while living in California. They lived in Marina, CA and we lived on neighboring base, Ft. Ord. Ken had 2 brothers and two sisters and we all grew to be very close friends. Kenneth helped me maneuver around Seaside High School campus as I entered my Junior Year back in 1970. When I moved back home to Hawaii, and worked part-time at Liberty House (Macy's), I learned that Ken was running the Maintenance Dept and we would run into each other quite often. I will always remember Kenneth as being soft spoken and very helpful. I'm sorry that we lost touch with him and his entire family. I am sending much love and condolences to all. Aloha, Beryl Willis (Domingo)
