Julio Lopez Obituary

Julio Roberto Lopez, 62, of Waianae, HI passed away on April 4th, 2023. Julio Roberto Lopez was born on March 4th, 1961 in Guatemala. Immigrating to the United States in early adulthood, Julio cultivated his life alongside his beloved family.

He was a loving father, partner, and friend. He enjoyed making others laugh with his jovial and endearing sense of humor and it was his nature to find the silver-lining in all of life's circumstances.

Julio lived life to the fullest and played just as hard as he worked. He enjoyed a long, successful career as a certified automotive technician. He was incredibly generous, devoting time to others to share his knowledge and passion of cars.

A man of many interests and talents, he loved riding motorcycles, racing cars, collecting and shooting firearms, and playing guitar. Above all, he was a family-man and cared deeply for his children and loved-ones.

Julio was preceded in death by his loving parents, Julio Lopez and Maria Gonzales; sisters, Norma Gramajo, Rosa Lopez, and Carolina Lopez; and nephew, Sergio Maldonado.

He is survived by life-companion, Sheila Silva; daughters, Mildred Rosario Lopez Mercado (Rafael), Luisa Adela Lopez Mercado (Luis), Catherine Diane Wallace (Scott), Emily Marie Brewster (Anthony), Tiana Kawamura (Shawn), Hoku Kealoha; sons, Brandon Daniel Wallace, Francis Kealoha (Katherine); brother, Carlos Lopez (Evelia); sisters, Carmen Maldonado (Jorge), Sonia Padilla, Maribel Lopez Gonzalez (Roberto); grandchildren, Anthony Jr., Amelia, Luisangela, Luisana, Derek, Leialoha, Nainoa, Kala'i, Kekai; former spouse and friend, Catherine Wallace; and many nephews and nieces.

Julio will be forever loved and missed.

I wish I had the words to express my love for you adequately. I'm so grateful you were my father and I will miss you eternally. I would give anything for one more call or hug. I will never forget you. I will always remember how much you spoiled us as little girls. Even when you gave us a budget at the dollar store, you always let us sneak in a little extra. I loved spending time watching you fix cars; how I could always count on you to help diagnose weird sounds under the hood or help me to not get swindled at a dealership. The smell of motor oil and tires always reminds me of you and how hard you worked to tirelessly provide for us. Some of my favorite memories were when we lived in Oregon, waiting for mom to join us from Texas. You'd drive us to school everyday in the El Camino (even though we totally could have walked). That same year you threw me the most amazing birthday party at Abby's and made me feel like the most special kid ever. And I will never forget how you have supported me as an adult with your encouragement and love. You never neglected to tell me how proud you were of me. Though you may be physically gone, I know your love is without end. Until we meet again. I love you so much. - Emily

Julio had a big heart. He loved his girls fiercely. My favorite memory was our family's camping trip the year before you moved out here. Julio was convinced the group hiking was lost and maybe eaten by whatever was in the woods. He tried playing it cool, but you could see the relief when everyone finally came back safe.
