Our deepest condolences to all the family of our beloved Lolita Quezon Miral. Her eternal rest left a deep vacuum in all our lives. We're mourning and grieving with her beloved family and friends. Please accept our deepest sympathies. Lolita touched mine and my daughter's heart in a very special way. She encouraged and spoke hope when situation became tough. She always said: "ah never mind, let it go, don't let it get to you. Just be beautiful and happy. I'll be praying for you." I admired her beautiful personality inside and out. On October 5, 2022, after blowing her birthday cake, that Ellen and I prepared for her. She gave away her used sunglasses to me and Ellen. We're both excited choosing because they are signature brands sunglasses. We're not thinking about premonition or why she gave it away to us. We should have hugged her a little bit tighter that day. We didn't know it was our last chance. ðŸŒ˜ You will always be in our hearts Lolita. Until we meet again. ðŸŒ˜"
