Ate Beth was a great role model in her life as a daughter, a sibling and a friend. As the eldest in our family she gave us her unconditional love in our growing years, our second mother and a pillar to the family. Her loving and caring to her family, her untiring help to people in need, made her so much loved and appreciated. Her life was so simple but accomplished. She was number one in her Faith with her devotion to our Blessed Mother and to Jesus Nazarene. Ate Beth, God bless you: For the love you've given us, For the prayers you've prayed for us, For the words of wisdom, For the memories made, You're loved and liked for so many reasons. Thank you so much for being YOU!!!! We will miss you so much, We love you and will always do. Pray for us always.

Lola Beth, you have taught me so many things that I now impart in my daily life. I learned that if I work hard, nothing is impossible. Everything can be attainable just like the amount of sacrifices you have given to your family. I always enjoy your calls even though I'm far far away, you never forgot to ask if I ate yet or how my kids are doing. I wish I had time to show you how far I've become. I am now a father, husband and everything you wanted me to become. I know that you are in a much better place with Lolo now. Don't forget to watch over us and always pray for us like how much you valued our prayers to the Lord. Until today, Myles asked me if we can FaceTime you one more time. I love you Lola Beth and I always play all the memories I shared with you whenever I'm feeling down. You always made sure we have a smile to our face regardless how hard life could be.
