Aloha and prayer to my friend Curtis and his family. It is March but I just found out about his passing from a fellow co-working during my time at Oahu Country Club while catching up. Curtis gave me an opportunity to work at Oahu Country club in 2005 moving to the island from the state of Arkansas as my wife was a travel nurse and worked at Tripler Army Medical Hospital. Having a turfgrass management degree Curtis embraced me and was such a mentor to the way not only how turf grew on the island but most importantly the culture and way of life on the island. I am so sad to hear of this news and am forever grateful to such a wonderful man. Thoughts and prayers to his family. Much aloha my friend and family
