Beloved neighbor since childhood, friend, very loved bruddah that kids lovingly called him "eh unko," always had a space in my heart. From a tight knit, small nine-house ohana community called "Hawaiian Camp," "OR&L Housing," etc, I would in a heart beat, if I could, go back 65+ years, to relive the Ewa ohana experience with bruddah Martin, an experience that live on forever. Martin, I love you and someday hope to join you, cradled under the wings of angels or barreling in heaven's perfect and epic wave!.
