This memory takes me back about 50 years ago! I met this fabulous couple at our Lamaze class and discovered that we had both purchased a house in Mililani about 5 houses apart! Kitty and Alvin were with us through both of our daughters earliest years! Infant to toddler and then preschool. We had wonderful times at your house, played in the beautiful backyard. I remember Alvin was the first in the neighborhood to have his yard landscaped, designed and built with his insight and skill! Just an all around great fun guy! A lose to all
