Ikaika was a baby in diapers with an attitude when we first met. We used to spat with one another. Then one day he stuck his tongue out at me, and I called him an ugly lil Filipino boy! He stuck his tongue out again. I would carry him into the squad bay, and the guys would ask if he was my son?! Haha. No no no , too young for child support! He was that same baby when I departed from Oahu, it was good to see him as a man in May or June 2021? Reverted to da Pakalol like ol times and its a fog During this trip, I was fortunate to meet his children, Allie and Calvin! It was good to spend time with them at the beach, where Nephew has a good story to tell. (he called me uncle) so Ikaika, know that your children are and will be loved today and days to come. Peace my lil ugly Filipino boy
