To the Kaulu I'm so sorry for the Loss. I came across John obituary because I was trying to find him online and reconnect. My name is Richy Herrera I was in the USMC back from 1992-1996. When I got stationed at Kanehoe Bay I reached out to John and Aloha . John knew my family from the Boxing club. During my time in Hawaii I was blessed by John and Aloha whinooned their doors to me on Thanksgiving and Christmas. John and I would talk Marine Corps story and boy he had the best. A memory I have is on Thanksging we ate and played a game board called Boulderdash. John had the funniest definitions and made us laugh. In the words of USMC Lee Emery in full metal jacket " "Marines are meant to die, but the Marines Corps lives on, therefore you will live on, that's what we're here for". Semper Fi John. Aloha you can reach me RHBulldog1@verizon.net
