Maria Domondon Obituary

Maria Christina Domondon - Obituary

On May 15th, Maria Christina (Christie) Domondon, our beautiful daughter, sister, auntie, and friend, peacefully transitioned to heaven at the age of 60. She led a life full of laughter and smiles, carried on each day with an upbeat attitude, and inspired everyone she knew.

Christie was born on September 11, 1961, in Fairbanks, Alaska. During her childhood, she lived in Northern California, the Philippines, and Hawaii. She moved to Los Angeles after college and settled in the beach community for 33 years to be close to the water she loved. Always a problem solver, Christie's career eventually took her to the Computer Software Support and Training field where she brought a contagious smile and unwavering positivity to all who needed her help. She appreciated a good techie joke, was silly, witty, and fun to be around, adventurous, thoughtful and kind, and always kept a calm and gentle outlook on life. Her willingness to assist others was also important in her private time as she volunteered to narrate audio books for the blind and dyslexic for a decade and became a regular blood donor.

Christie loved to create unique and artistic crafts as gifts for family and friends and she enjoyed biking, riding a Harley, and working out— years after owning a personal fitness gym. She eventually moved back home to Pearl City, Hawaii in 2020 to be with her family.

Christie is survived by parents, Sergio and Rosalina Domondon, sisters Laura Lee (Evan) and Liana Dirks (Scott), nephews Payton Mulleitner and Eric Lee, and niece Taylor Lee, and numerous family members, and friends. She will be missed, and we thank the Lord for His gift of Christie, a treasure to remember forever.

In lieu of flowers, Christie wished that donations be made to the Multiple System Atrophy Coalition to fund research towards a cure, education, and support for affected persons and their
