It broke my heart to find out that Catherine has passed. She and I met at Catholic Charities. We lost touch as I moved away to take care of my Mom. I wanted to wish her a happy birthday and just found out. She was an amazing friend and her love for doing charity work was so inspirational. Rest in Aloha my friend. You will be missed. My condolences to her family. I knew her only briefly. In that short time, I remember her as a dynamic individual. She had some difficulties that she trusted me to advise her on. Thank the Lord she did as I advised her and saved her from a whole lot of trouble. It saddens me to know that such a bright star is no longer with us. She will be remembered always.

There are so many great times I've shared with Catherine. She was a very beautiful lady, with an infectious laugh. I loved how she lived life to the fullest. I will miss hanging out with her. I am still in disbelief, perhaps one day I will realize she really is on the other side where there is total joy! Rest Easy my friend!

Our "Normal Neighbor Catherine" is how she introduced herself the day we moved into our condo. She added us to her neighborhood phone list to share concerns. We will miss her friendly "Hello" as she passed by. Our hearts go out to her family at this painful time. May her lovely soul rest in peace.
