My favorite time with Kaipo has to be when we would stay at his moms at night time only. We would wake up 430 and leave Makaha to see our babygirl Alia. I would hold his coffee for him so it wont spill on the turns. The radio would be off, and the air is cold and Id fall asleep on his arm, holding his hand. Those mornings were beautiful, even if we didnt say one word to each other. It felt like . Home. I love love love you babe. Partner in Life & After Death
