I don't know what to say or how to express myself to your loss. To my own sons loss, I am so deeply saddened by this that words cannot express everything that I feel. My very best memory of Gary was when he carried Alex for the first time. My second best memory was when Alex first said papa. The joy he felt and the light in his eyes is always something that I will remember. There is so much that we will miss about him.

Words cannot express the sorrow and sadness we feel at the loss of our brother, Gary Ariz. On August 27, 2021, Gary passed after a battle with the Covid virus. Although we are distressed by his sudden passing, it is comforting to know he is no longer suffering or in pain. May God hold you close in His loving arms. May your soul find rest and peace with Mom and Dad. You may be gone from sight, but you are never gone from our hearts.
