Cuz Jacob, sorry it took a while...dealing with your passing in my own way.. I will always remember your big smile & genuine humbleness. Our interactions in this life were brief. However, each one is a fond memory I had with you and cherish. From the Heavens above, may you continue to watch over your ohana until each of you are united again. Much love & Aloha, L. Rapoza

Rest in Peace and Aloha Jacob. You are a special soul who we at work were very blessed to have met and worked with. There will always be a void in our hearts as God has claimed you to return home. We will never forget all of the kindness, patience, humor and love that you shared with us during your too short time with us. May God bless and strengthen your family at this time and always.
