My deepest condolences on the passing of dear Emma Haraguchi. The Thanksgiving and Christmas Holidays were a very special time aboard Naval Air Station Barbers Point, Hawai'i as savvy shipmates there who were in the know, would look forward to Christmas gift exchanges amongst shipmates - - - Emma's famous and delicious Holiday Rum Cakes - - - were treasured holiday gifts enjoyed by a very special few, and coveted by all. Emma would craft her gourmet Holiday Rum Cakes and wrap them up in time for the Christmas holiday season, bringing them to her friends at the VIP Terminal, the Station Library, Supply, the Command Building, Post Office, Data Computer Division and the base operation support administration building. Emma was loved and celebrated with her team mates aboard Barbers Point during the late 80's into the mid 90's while Congress realigned Barbers Point as part of the Base Realignment And Closure (BRAC) defense department restructuring. Emma was a loyal, diligent and caring member of our Barbers Point Team, winning numerous team awards and recognition over the years, as she was well regarded and respected by her co workers, and the sailors and their families who also lived and worked aboard Barbers Point. I only learned of Emma's passing this morning, and I miss her and honor her life and celebrate her memory as part of the "Top Gun" era for our local ohana team that pulled together, took care of each other, worked hard together, and made a good life for our families while Barbers Point was still a commissioned Naval Station. "Fair Winds and Following Seas," Dear Emma. And much aloha to the Ohana, Loved Ones and Friends of Emma Haraguchi. One day I'll look forward to cheering you and celebrating with you when we meet again with the Good Lord, and enjoy kau kau with your super aloha and your super ono Rum Cakes =). Aloha oe, Ahuihou.
