My memories of Aunty Nancy are how generous and kind she was to all of us nephews and nieces. We were always welcomed with open arms. I will always remember my 16th birthday celebration at her house where she hosted my party. Was good fun time! Our latest fun memory of Aunty Nancy was when we came over to Hawaii I think in July 2017. Kathy and Wayne brought her over to the Hale Koa where we stayed late talking stories and having a good time. Then in October of 2018 her, Aunty Shirley, and Mom stayed with us in our Spanaway, Wa. House. Of course lots of shopping and eating at different restaurants. Some cooking and I think, once to the local casino. We love you Aunty Nancy and rest in peace. Alohas!

Mom Nancy brought only good things into my life. She and her son Mike left me with wonderful memories and feeling positively blessed to have known them both. She is sweet, loving, straightforward when she needed to be, and so much fun! She has taught me so much about life and how to be, I am still in disbelief that she's no longer here. She was truly one of God's angels while here on earth, and will be sorely missed. God bless you and keep you in his everlasting and loving arms mom, and thank you for everything. 🙏🙏🙏
