Grandma, I miss you so very much everyday! Your smile, your voice, your kisses, our outings, your wave good-byes. The memories in my heart are full and I am blessed to have the opportunity to be loved by you. You have shown me what love and forgiveness looks like every moment I was with you. You were such a great influence of a godly woman to me and to so many others. I could go on and on but those memories are for me and you and will forever be in my heart. I love you grandma!
