Another time when dad was still working I would be following him home behind him in my car . All of a sudden Iâ€™d see a bottle fly out of back right window, next a babyâ€™s slipper.. then a small diaper .. the other side of the shoes. Meanwhile Iâ€™m beeping my horn to tell dad pull over. Dad tells me what.. you granddaughter is throwing shoes, bottles slippers out the window as you driving home .. finally he closes her windows and tells Kayla no wonder I canâ€™t find your bottles and slippers.. ha ha..
