Marian was my Sister. And I was the youngest of 6 My name is Enid Ewalani Vierra Kualapai. Memories of Marian I was called her Tail she would take me everywhere with her. She lived with her Best Friend Mercy in Aiea and one night she was supposed to take me to the 50th State Fair. And I got sick with my Asthma and unable too go. She was such a caring person. She was always there for me. We did a Video Chat with all the Family Members which was the first time but unfortunately she was Admitted too Queens Hospital that night. I Thank Margret (Mugs) for taking her in and Caring for her Mother till her last Breath. You need to be a strong person and Marian would give her a hard time. But was Loved I was in California with my other Sister Gail Philips in Santa Ana California and when Marian got sick we found out that. My Niece Mugs took Marian in her home and Cared for her till she passed. I told Marian I would send her some of her favorite Coconut Candy. So she didn't believe me So Gail put a package together and got it mailed too her. And Mugs told her Aunty Gail and Ewa sent you a package and she gave it too her to open and she was surprised she got so Much Goodie from Gail and my Coconut Candy. She told Mugs Aunty Ewa Remembered. She is Truly Missed. But I know she's still taking care of me.
