Patricia Austin posted:

Gentle touch with a firm hand is what I remember about my dear sister. I was trying to raise 5 teenagers and preteens when we became members of the Wahiawa family and she as well as some of the "older" sisters were instrumental in helping me to maintain a positive outlook while Brother Madison made us smile. To the family I'm sorry for your loss and may you continue in the path of your loved one. Patricia Austin & family Columbus Ohio
