My dearest Jennifer, I have come to love and care for you like a sister for that 16 years I've known you. I can't believe the last time we worked together in March would be the last time I got to see you. I remember our laughs and jokes that we would make before starting our work is what made it fun! I love when you say it's a Salvador thing! I miss you everyday..... you'll always have a place in my heart.....
