Grammy,You were the first grandma I ever had the memory of. I have always had so much love and admiration for you. The last time we talked you always told me I was such an independence little girl, always off doing my own thing. You knew me before I knew myself, here I am off doing things on my own, it's good to know that I am totally normal. Thank you for that. I will love and remember you always.Â My sweet Grammy, until we meet again.Love,Â Kimmie (Toyama)
