Caryn posted:

I love you Dad. I miss you so much. I haven't shared anything with anyone so that's why there is nothing posted here for you. I just happened to look today. I am still working on writing a beautiful obituary for you to publish in the newspaper but I have not done it yet. I know it's been a little over two months but times are really hard. I don't want anyone to worry too much and be sad. I have not forgotten you Dad. I just miss you so much. I hope you forgive me. I'm trying my best to cope with so much, it's been a really hard year for me and I regret so much and now I can't make time come back and you left. I will post again and share this when I'm ready. I love you Dad.
