Mama you were the best Mom, friend and cheering section. You were the best for answering questions that we didn't have answers for. You were and will always be the best Mom in my book. I'm so glad we got the time to be with each other recently. I enjoyed our time together. I'm glad you liked the flowers I sent you. If you only knew how difficult it was to make sure you got them. You'll always be in my heart MAMA. I miss you MAMA. I'll see you on the other side one day. Your number 1 daughter Aloha A Hui hou

I enjoyed going over to visit you during the last few years and weeks before you left us. As we talked old time stories I could see in your eyes, you really liked talking stories of the old times we had between our children and families. We made the last days into some of the greatest days to enjoy and to embrace the good and bad times of the past as only we would have known them. At times having good conversation helps with pain as we got talking; there was laughter and no talking about pain during those times. It is strange in how the mind works. I'm glad you're not in any more pain and not having to think about what's going to happen next. Now you are at rest and will be able to see Mom Mom, Big Daddy and Joe. You will be able to see my parents again and say Hi. I will miss you as you seen things like I do, you are a very strong lady, a very special lady but most of all, smarter than most people think. I know you knew it also. You always welcomed Steven, Maxine and I when we went over to see you in the last months. Thank You again Peggy for being so understanding. But most of all, for being the lady you was as we talked. We could read each other like a book. You knew that and so did I. Good Conversations! You're in the Lords hands now and your life will be a very peaceful one and you will be at rest. Bless you Peggy ... You will be dearly missed! Love and Aloha. Donald & Steven...
