My earliest memory of Mr. Stanley, I used to call him a long with many other kids goes way back to when I was a young Keki at Ewa Beach Elementary. He was such a kind and giving person. Thought of others before himself. I remember getting awesome gifts from him every holiday every year. I got a huge candy cane one year so big my cousins and I walked home and shared it together! He was always there when he knew I wasn't eating lunch because I couldn't afford it he came and brought me a full meal from McDonald's. He was a blessing that made a young Samoan kid feel loved when he never got the same at home. Fast forward to 2015 my sister told me "Mr. sawa came by!" I was confused until she said "Mr Stanley!" I was shocked! She told me he was a PE teacher at August Ahrens in Waipahu. I moved to Waipahu when I was in the 4th grade. My sister said he had looked through the system to find me & where I lived. I graduated High School in Tacoma, WA and she sent me a photo when I graduated and said he'd been looking for me. I'm so sorry I never got to see you Mr. Stanley. I'm just finding out about this as well. Your compassion & generosity will never be forgotten. I'll always remember the love that you shared with not only me but also my cousins and siblings. Love you uncle Stanley. - Sapati Tuiolemotu
