I thank God for the gift of my mother whose passion in life was to raise strong, compassionate, and fun-loving children and grandchildren.â I will always admire her mental strength, her courage to speak her mind,â and ability to accept whatever challenges came her way. I will miss her stories, sense of humor, smile, and laughter...she could make those around her laugh often.â Love you mom, rest in peace & love until we meet againâ
