The family wishes to thank the many angels in human form encountered on this journey. Islands Hospice Nurses and staff; thank you for taking such loving care of our Father and making him comfortable at home ‘til the very end. Hale Nani Nurses and staff; thank you as well for taking such great care of our dad, building relationships that have touched our hearts and his. There were so many of you who have taken these precious times to show so much compassion for him this past year! God bless you all!. We would like to also thank everyone who made it possible to bring our father home to finally rest in peace.
