I use to date his brother, and while dating his brother, I lived with them and created an actual true friendship with Mel. (Virmel) my most funniest moments with him was when he asked me how tall I was, (me being 4'11, but felt shame to say so) I said 5'0. He looked me and laughed, and said "you lie". I said "how do you know??" And he said "because I'm 5 feet" 🤔
