Dearest Mom, Words alone canâ€™t express the love and thankfulness you have given to me and my family. I thank you for being there when your Jalene was born helping me in so many ways that no one else have and always being there for our Mehana as well. I appreciate your thoughtfulness of always thinking of others first instead of yourself until the very end. You have made me the person I am today who have thought me to always be loving, caring, and humble to no mater who it is. I will always cherish all memories we shared together. Thank you for being a loving, wonderful Mother, Grandmother to all of us!! I love you forever and ever always in my heart â™¥ï, â™¥ï, â™¥ï,

Love you mom. I cannot thank you enough for all youâ€™ve done for me, for us. I will always appreciate how you welcomed me the first time we met and accepted me into your family with open arms. And there is so much I will miss...your smile that brightened your eyes and made them twinkle; your laugh - so joyful and contagious, I always had to smile; your voice - especially when you talked to Ed or the grandkids, I loved to hear the love in your voice. So many, many things... You will be remembered with love.
